## Open to the Public

**Mary Ann Schmidt 121 N Bird Rd, Springfield, Ohio** This was information about a Ohio Court case about a City trying to take Township Property. Springfield City is going through a lot of trouble for Silflex.

**The following residents in Forrest Hills Area around Spruce Dr:**

**Michael and Barbara Faust, Phil Parrill, Chris Rue, and Chuck Otstot** Came to express their concerns about a property located at 1018 Spruce Dr. having 30 to 40 dogs. The dogs are a nuisance, they have tried to attack us at times, and the smell permeates the neighborhood. There is junk everywhere. There are also chickens and ducks on the property. We were told they are selling dogs there. We have contacted the Health Department, which told us to come to the Township Meeting.

**Mr. Foley** Unfortunately this has been a bureaucratic runaround, Springfield Township Zoning has been there, the Clark County Health Department has been there. The Health Department has sent you to Solid Waste Department, so we will see if we are able to find some sort of closure.

**Mr. Roeder** Wanted to make sure the Game Warden had been notified about the dogs.

## Closing Remarks by Trustees and Fiscal Officer

**Mr. Soby** Thankful to all Veterans for making our County better.
