Mark Smith This is called our Revenue Budget, it's submitted every year and is due July 20th, to the County Auditor's Office. All townships, villages, and schools have to have their preliminary budget numbers in, it is only for operational purposes. We will have our payrolls, and operational expenses, including capital expenditures. Once I submit this to the County Auditor they will provide us a Certificate of Estimated Resources to be used for the next years 2022 Budget.

507 Neosha Ave

I wanted to bring up a Community Garden, I've done a little bit of research on this and I think it would cost about \$8,200 a year to operate.

Mark Smith As far as the expenditures, we can look into it. Can you get me more information on that?

John Roeder Who would maintain this?

Seth Flora My assumption would be someone hired or it would maintain itself.

Jim Scoby Have you been involved with this? I have with the City. Lincoln Elementary has one, the whole concept is where you place it, and it has to be maintained. The Community needs to maintain it. If the community doesn't maintain it, it becomes a mess. If started and not maintained people lose trust in the Township.

Seth Flora ARP Funds, have there been any progress with this?

Mark Smith All of the Townships are receiving the funds and we are waiting for guidance. There are a number of issues we will be able to use this for. Once decided, we will be able to vote for use at our meetings.

Departmental Reports

Mark Smith I would like to thank everyone for the gift for my father our family appreciated everything.
